RE: License # DG640380956
Guadalupe & Robert Cain
56 Grant Street
Shelby, MI 49455

Dear Guadalupe & Robert Cain:

This letter is a follow-up to the on-site inspection conducted at your home on 04/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes, specifically with regards to home maintenance and safety and safe sleep.

At the time of the inspection, Mrs. and Mr. Cain had removed the bassinet from the infant's sleeping area. There was an appropriate pack and play for her to nap in. Both of the spare bedrooms had been cleaned enough to allow their use. I requested that additional decluttering continue in these rooms. The master bedroom has been cleared of much clutter, but there is still additional work to be done.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Amanda Wendell
