Dear Mrs. Mashke:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 11/17/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection the programming I observed included the following: free play, toileting, hand washing, and lunch. I observed the caregivers' interactions with the children in care to be developmentally appropriate and responsive to their needs.

The violations that were found are:

R 400.1907 **Child's records.**

(2) Records in subrule (1) of this rule must be reviewed and updated annually or when information changes.

I reviewed 10 child files; Seven child information cards and eight child in care statements were not updated annually as required.

During the exit conference, I provided technical assistance and consultation to Ms. Mashke on the following: child information cards must be fully completed and there must not be anything stored within four feet of furnace and water heater.

On 11/17/2022, you gave us an acceptable written corrective action plan.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
