Dear Ms. Durfee:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 05/23/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection, I observed children initiated in a coloring activity. Caregiver interactions with children were positive and nurturing. Required records were organized and readily available.

As a result of the inspection, I did not find any rule or law violations.

Technical Assistance and Consultation were provided on the following:

- The home was found to be somewhat cluttered; Ms. Durfee explained this is due to the home recently having wiring work done. A discussion was held regarding R 400.1932(1).

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
