RE: License #: DG650402614
Nana's Place Child Care
120 S. Second Street
West Branch, MI 48661

Dear Ms. Jensen:

This letter is to advise you that the corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1932(6) Home maintenance and safety.	The home had flaking or deteriorating paint on the exterior surfaces near the front porch which is accessible to children.	Ms. Jensen will apply for a child care grant to purchase siding for the home or paint the area so the flaking paint is not accessible to children.	12/23/23

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event

that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
