Dear Ms. Phelps:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 02/03/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of this onsite inspection, there were seven children and two caregivers present. I observed children engaged in free play and cleaning up the play area. Children watched age-appropriate TV for approximately 15 minutes while the caregivers were preparing lunch and making sure that children washed their hands before sitting down for lunch. The caregivers interacted with children in a caring and developmentally appropriate manner. There is a large variety of age-appropriate equipment. There were no safety concerns.

There were no rule violations.

Sincerely,

A handwritten signature in black ink that reads "Linda Strube". The signature is written in a cursive, slightly slanted style.
