Dear Ms. Phelps:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 04/25/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of this inspection, there were nine children and two child care staff members. I observed the end of rest time, diapering, free choice play, and pickup time for most of the children. Mr. And Ms. Phelps had positive interactions with children and parents. The needs of children were met promptly and with kindness. I did not observe any safety concerns.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A
