Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Group Home.

During my on-site inspection I observed outdoor play, free play, lunch, and diapering. All staff interacted with the children in a positive and nurturing manner. The programming offered is developmentally appropriate and educational. There is a variety of materials and equipment for the children to access. Home, staff, and child records were organized and made readily available.

If you have any questions regarding the report, please contact licensing consultant, Jessica Miranda-Bevier, at 616-498-5459. In the event that Jessica Miranda-Bevier is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
