Dear Ms. Weston:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 02/06/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. During my inspection, I observed licensee provide direct supervision to children in care during free play activities. I observed licensee tend to upset child in care, in nurturing and age-appropriate manner, and provide positive verbal prompts during redirection. Children in care appeared to have a happy and well-bonded attachment with the licensee. Records were organized and readily available for review.

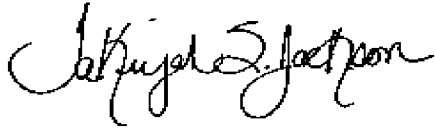

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
