Dear Angela Harker:

This letter is to advise you that the 10/14/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Since orajel is an oral non-prescription medication, the Medical Permission and Instructions Form (BCA-1243) must be filled out completely by the parent indicating the dosage, times given per day, and	The licensee stated that she would put orajel on a signed medical permission form and record each time it is administered.	10/15/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
