Dear Mrs. Carpenter:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/01/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the onsite inspection, I observed children finishing a craft project and engaging in choice time. There were 11 children and 3 child care staff members so they were within ratio and capacity. Ms. Carpenter recently added a very large covered patio for outdoor play and expanded her outdoor play equipment. Verification of compliance included observations of the physical environment and programming, discussions with Ms. Carpenter, and a review of child and staff records.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
