Dear Patricia Raver,

This letter is to advise you that the 8/7/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1919(2)	One child care staff member did not have a current medical evaluation signed by a physician attesting to their physical and mental condition to work around children at the time of renewal.	The licensee stated that the child care staff member will obtain her medical clearance and submit it to the department.	9/7/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
