Dear Patricia Raver:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 08/18/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the onsite inspection, I observed preschool-aged children engrossed in small motor activities such as Wikki sticks, sorting, and puzzles. Infants and toddlers were participating in music and movement with musical instruments. Patricia Raver was within her capacity and ratio with three child care staff members and twelve children in care. Verification of compliance included observations of the physical environment, health and safety, programming, and a review of some child and staff records.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
