Dear Stephanie & Dustin Johnson:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 06/06/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the onsite inspection, I observed seven children in care with the licensees. The children played outdoors in the fenced backyard and then came inside and engaged in music and movement time and free choice play. Then they washed hands and had lunch before laying down to nap. Mr. & Ms. Johnson were within their required capacity and ratio at all times. Verification of compliance included observations of the physical environment, health and safety, programming, and a review of child and staff records.

As a result of the inspection, I did not find any rule or law violations.

<b>During calendar year 2022:</b>	<b>Total</b>
