Findings of the Inspection

A copy of this renewal inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

The renewal inspection involved a review of all applicable child care center [administrative rules](#) and [statutes](#). Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

As a result of the renewal inspection(s) on 7/30/2024, licensing consultant Carrie Harris did not find any rule or law violations. A regular license will be issued.

If you have any questions regarding the report, please contact licensing consultant, Carrie Harris, at (269) 615-5617. In the event that Carrie Harris is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

<i>Licensee Interviewed</i>	<i>Child Care Staff Members Interviewed</i>	<i>Pets</i>
Yes	Yes	The licensees have three dogs that are separated from the children in care during child care hours.
<i>Water or Other Hazards</i>	<i>Outdoor Space</i>	
There is a large above ground swimming pool that will not be used by the children in care. The fencing around the pool is over 4 feet in height all the way around and has two locking gates. The children in care are in a fenced in play area. The pool will not be used by the children in care and the licensees will always provide direction supervision when children are playing outdoors.	The outdoor play area is located behind the home and is completely fenced with two locking gates. There is a play structure over mulch. The licensees have two other separately fenced areas in the backyard. One area is used as a dog run. The other fenced area has a large above ground swimming pool that will not be used by the children in care. The fencing around the pool is over 4 feet in height all the way around and has two locking gates. The pool will not be used by the children in care and the licensees will always provide direct supervision when children are playing outdoors.
