Dear Ms. Deroshia:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a capacity of 12 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Beth Goding".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

The child care is a bi-level home located in a suburban neighborhood.

Rooms and levels approved for child care use: The home is a bi-level residence with only an entryway/foyer on the main floor. The playroom and art room on the upper level and the play room on the lower level are approved for care. There is a bathroom on the upper and lower level for use.

Areas not approved: The kitchen, dining room, and master bedroom on the upper floor are not approved for care. The bedroom on the lower level is not approved.

Ages of children served: The child care will serve children birth to 10 years of age.

Equipment: There is an adequate and varied amount of developmentally appropriate equipment available for children in care.

Proposed days and hours of operation: The home will operate Monday through Friday from 6:00 AM until 4:00 PM.

Previous or concurrent licenses, including children's foster care: The licensee was previously licensed at a different address in the same county (DG750409141) from April 2022 until August 2022. No concurrent licenses.

Exiting information (including second floor and basement): The upper level has two door exits and the lower level has a stairway exit and a door exit.

Outdoor play area description:

The fenced backyard area is identified as the designated outdoor play area. There are no water hazards.
