Dear Vermeersch, Betty J. and Vermeersch, Danielle:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

As a result of the renewal inspection on 9/7/2022, I did not find any rule or law violations. You will receive your regular license in the mail.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Lisa Gundry". The signature is written in a cursive style with a large initial "L" and a long, sweeping underline.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff,

and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes.

During the inspection, I provided technical assistance and consultation to Betty and Danielle Vermeersch on the following rules:

- Recording staff attendance
- Water temperature (this was turned down onsite after testing at 129 degrees)
- Child Care staff member records
- Maintaining batteries in all smoke alarms (fixed onsite)
- Diapering procedures
- Printing fingerprint eligibility letters (completed that day)

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care group home (capacity 7-12).
