Dear Connie Mccoy,

This letter is to advise you that the 7/24/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.1907(1)(a)	4 of the 10 children's files I reviewed did not have a child information card.	All enrolled children will have a child information card.	Immediately and ongoing.
R 400.1907(2)	3 of the 10 children's files I reviewed did not have an annually updated child information card.	All enrolled children will have a child information card updated annually.	Immediately and ongoing.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
