Dear Ms. Jones:

This letter is to advise you that the 02/16/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1931(8) Food preparation and service.	At the time of the inspection there was a baby bottle in the refrigerator without a label.	Ms. Jones will ensure that all baby bottles are labeled and dated, either by the parent or herself.	02/16/2022 and ongoing
R 400.1933(4) Water supply; sewage disposal; water temperature.	The water temperature was over 120 degrees Fahrenheit at the time of the inspection.	Ms. Jones will turn down the water heater and will maintain the temperature below 120 degrees Fahrenheit in the future.	02/16/2022 and ongoing
R 400. 1916(12)	At the time of the inspection, I observed a baby who was over 12 months sleeping in a swing.	Ms. Jones agreed that she and her assistant would retake the safe sleep course.	02/16/2022 and ongoing

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#)

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Gundry".
