Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.944(1) Smoke detectors; fire extinguishers.	At the time of the inspection, the 2 nap/play rooms did not have a smoke detector in them.	Ms. Hanks agreed to install the detectors by April 22, 2022.	4/22/2021
R 400.1945(4)	At the time of the inspection, Ms. Hanks had not performed a fire drill since she opened 6 months ago.	Ms. Hanks agreed to start completing all drills as required.	4/20/2022

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#)

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Gundry".
