Dear Mrs Dick:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/27/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

On 06/27/22 during an interim inspection, there were nine children present and two staff members. The licensee was not present. Upon arrival children were watching a movie and then transitioned to playing with various puzzles. While there, I observed child care staff members interact appropriately with children.

Technical assistance was provided regarding connecting and disconnecting staff members. Technical assistance was also provided regarding making sure the date of admission was listed on all child information cards. I reminded new child care staff members to make sure they complete the appropriate training within their 90 days of hire as well as reminding other child care staff members to complete the 2022 health and safety training on MiRegistry by October 30th.

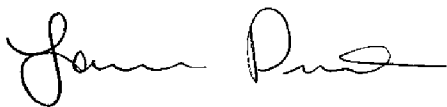

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
