## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and

training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

**R 400.1904a            Child care staff member; employment requirements.**

(3) Prior to contact with children, the individual shall be determined by the department to be eligible to serve as a child care staff member, pursuant to section 5n of the act, MCL 722.115n, and as required by R 400.1925.

During the onsite inspection on 08/30/2022, Ms. Kidd had her sister caring for kids. Ms. Kidd's sister had not yet been determined eligible to serve as a child care staff member.

**R 400.1905            Training.**

(3) A licensee shall ensure that child care staff members and child care assistants, prior to caring for children, have training that includes information on all of the following:

(a) Safe sleep practices to prevent sudden infant death syndrome.

During the onsite inspection on 08/30/2022, Ms. Kidd's child care assistant had not completed training in safe sleep practices prior to caring for kids.

**REPEAT VIOLATION ESTABLISHED**  
**LSR Dated 09/27/2021**  
**Corrective Action Plan Dated 09/27/2021**

**R 400.1905            Training.**

(4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff member, and a child care assistant shall complete training on all of the following topics:

(a) Child development.

During the onsite inspection on 08/30/2022, Ms. Kidd's child care assistant had not completed required trainings within 90 days of being hired.

**REPEAT VIOLATION ESTABLISHED**  
**LSR Dated 09/27/2021**  
**Corrective Action Plan Dated 09/27/2021**

**R 400.1906**                    **Records of a licensee; child care staff member; child care assistant.**

(1) A licensee shall maintain a file for each child care staff member and each child care assistant that includes all of the following:

(c) A statement signed by a licensed physician or his or her designee that attests to the individual's mental and physical health., and which must be updated as follows:

(i) For an applicant or licensee, within 1 year before issuance of the initial license and at the time of subsequent renewals.

(ii) For a child care staff member and a child care assistant, within 1 year prior to caring for children and at the time of subsequent renewals of the child care home's license.

During the onsite inspection on 08/30/2022, Ms. Kidd's child care assistants had not had a medical clearance completed.

**REPEAT VIOLATION ESTABLISHED**  
**LSR Dated 09/27/2021**  
**Corrective Action Plan Dated 09/27/2021**

**R 400.1906**                    **Records of a licensee; child care staff member; child care assistant.**

(1) A licensee shall maintain a file for each child care staff member and each child care assistant that includes all of the following:

(f) A completed and signed Michigan Child Care Background Check Consent and Disclosure form as required in R 400.1925.

During the onsite inspection on 08/30/2022, child care assistant Peyton Weatherly did not have a completed and signed consent and disclosure form available for review.

**R 400.1919                    Communicable disease; immunization; mental and physical health; physician attestation; tuberculosis.**

(3) An applicant, licensee, child care staff member, child care assistant, and a member of the household who is age 14 or older shall provide written evidence of freedom from communicable tuberculosis (TB) prior to caring for children or living in the child care home.

During the onsite inspection on 08/30/2022, Ms. Kidd had a child care assistant providing care to children who did not have written evidence of negative TB test results.

**R 400.1924                    Hand washing.**

(2) Personnel shall ensure that children wash their hands at all of the following times:  
(b) After toileting or diapering.

During the onsite inspection on 08/30/2022, I observed two children have their diapers changed and not wash their hands after.

**R 400.1931                    Food preparation and service.**

(13) Children shall not have beverage or food containers when they are in bed or when they are walking around or playing.

During the onsite inspection on 08/30/2022, I observed two different children were sleeping with bottles in the portable crib.

**R 400.1931                    Food preparation and service.**

(8) Bottles used for feeding must be labeled with the child's first and last name and date, refrigerated, and served only to the child on the label.

During the onsite inspection on 08/30/2022, I observed two bottles that were not labeled with the first and last name and date.

A corrective action plan was requested and approved on 08/30/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify

compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

During the onsite inspection I observed children resting, having outdoor play, and free play. I observed positive child/caregiver interactions. I provided consultation on smoke detectors, children's records, and drill logs. I provided technical assistance on bottle labeling, handwashing procedures, staff requirements, and trainings.

#### IV. RECOMMENDATION

I recommend the issuance of a regular license to this child care group home.
