Dear Ms. Mosley:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 12/28/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. During the onsite inspection I observed free choice time. Child care staff members were engaged in the activities with the children. Interactions between child care staff members and the children were positive and developmentally appropriate. Ms. Mosely uses the High Scope curriculum. Technical assistance was given on child information cards, child in care statements, the background check system, and drawer locks.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
