Dear Tina Micheaux:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

During the onsite inspection, there were six children present. The children were engaging in outdoor activities upon my arrival. The children then came in and had a snack. The children learn many foundational skills that prepare them for kindergarten. Ms. Micheaux provides a safe environment for her children in care. Technical Assistance was provided to Ms. Micheaux to update all emergency procedures in a more simplified manner.

As a result of the inspection, I did not find any rule or law violations.
