Dear Ms Brown:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 08/03/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

During the onsite inspection, there were four children present. The children were coming in having free choice time until other children arrived. They were preparing for circle time and group exercise. The children ate cereal, sliced apples, and milk. Technical Assistance was provided to Ms. Brown regarding all electrical outlets being covered. Ms. Brown repositioned her fire extinguisher in order to ensure it in not higher than five feet. Ms. Brown provides a safe, clean, and nurturing environment for all her children.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
