Dear Ms. Chandra:

This letter is to advise you that the 09/13/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.1905(9) Training.	Health and safety training refresher courses 1 and 2 were not completed.	Health and safety training refresher courses have now been completed and licensee ensured that each year trainings will be completed once published.	9/15/2022
R 400.1925(2)(c) Comprehensive background check; fingerprinting.	There was no documentation on file of the eligibility letters and consent and disclosure statements for the licensee and assistant caregiver.	Documentation is now on file and licensee has ensured eligibility letters and consent and disclosure statements will remain on site in the future.	9/14/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script that reads "Janeiro Byrd".
