Dear Ms. Norton:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/12/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the onsite inspection, there were seven children present. The children were engaging in tabletop activities. They ate cereal, bananas, and milk for breakfast, and they were expecting peanut butter and jelly for lunch. Consultation was provided to Ms. Norton regarding using the department’s form for the tornado and fire drill log as well as the updated child information records. The forms will accompany this report.

There were no rule violations.
