Dear ,

This letter is to advise you that the 10/5/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Follow-up Inspection Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
722.115n(16)	5 year eligibilty not completed	I agree to do all of the following if I have not already done so; - schedule all fingerprint appointments, through the CCBC system - Have all eligibility renewal fingerprints completed. I agree to connect or disconnect individuals in the CCBC system once I have received eligibility notice. If I get a notice that an individual is found ineligible in the CCBC system, I agree to immediately disconnect them. I understand that an	

		<p>individual found ineligible may not be associated as a household member or a staff with my facility. I understand that the department may seek disciplinary action against my child care license in the form of a revocation and/or summary suspension with revocation if I continue to allow an individual found ineligible to be associated with my child care license. I understand that if I fail to complete, return and/or comply with this Corrective Action Plan or request for Voluntary Closure, the department will begin the process of revoking my childcare license.</p>

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
