Dear Ms. Sawle:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 06/01/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

On 6/1/2022, during the interim inspection, there were 10 children present. Upon arrival some children were playing with various equipment while others were at the table reviewing and coloring shapes. During our inspection we observed the child care staff members interact appropriately with the children.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
