## II. Purpose of Addendum

On 1/31/2023, I received a modification request from licensee, Gail Tiller to add the basement as approved child use space.

## III. Methodology

1/31/2023-Modification Request Received  
1/31/2023- Onsite Inspection Completed

## IV. Description of Findings and Conclusions

The terms of the original license have been modified on 02/16/2023.

The following space was previously approved:

The living room, dining room, bedroom 1 and bedroom 2 are approved for child use.

An onsite inspection was completed on 1/31/2023 and the following space was approved:

The entire basement is approved as child use space. Ms. Gail plans to use this space for school age children. There is sufficient equipment to support the age group being served.

There is a bathroom in basement and on the main floor. There are four remote exits in the home, the front door, side door, back door, and an approved egress window located in the basement.

### Terms:

The total capacity is 12 children ages, birth to 17 years.

The licensee will provide breakfast, lunch, and snack to the children.

## V. Recommendation

I recommend the addition of the basement as approved child use space.
