Dear Ms. Balcom:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 11/02/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of this onsite inspection, there were nine children in care and two child care staff members present. When I arrived, children were just waking up from rest time. During my visit, children were engaged in free choice play. There was a variety of developmentally appropriate toys and equipment. Child care staff members interacted with children in a caring and developmentally appropriate manner. There were no safety concerns.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
