Dear Ms. Martz:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 02/16/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection there were 8 children, one child care assistant and the licensee present. The children were participating in choice play. All the children were being appropriately interacted with and supervised.

As a result of the inspection, I did not find any rule or law violations.
