The consultant called the director to let her know about the director training that we are offering on March 5th. The consultant told her when and where the training is being held and let her know to sign up through GAPDS if she wanted to attend. The class size is limited and on a few were still available.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)
