Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Group Day Care Homes, 290-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

**591-1-1-.10 Diapering Areas & Practices(CR)****Not Met****Finding Associated with Complaint**

591-1-1-.10(3)(a) requires that if diapers are changed on a diaper changing surface, the surface shall be smooth, nonporous, and equipped with a guard or rails to prevent falls. Between each diaper change, the diaper change surface shall be cleaned with a disinfectant and dried with a single-use disposable towel. It was determined that on January 26, 2017, a one-year-old child sustained second degree burns after being placed on a diaper changing surface that was wet with a bleach solution. The center staff member present sprayed the surface with a bleach solution but did not dry the surface prior to placing the child on the surface. The child required professional medical attention.

**POI (Plan of Improvement)**

The director responsible person(s) will ensure there is a smooth, nonporous changing surface that has a guard or rails for safety in each classroom that houses children wearing diapers. The director will ensure Center Staff are trained and have adequate supplies to properly clean the diaper changing surface between each diaper change.
