Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Group Day Care Homes, 290-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

#### Finding Associated with Complaint

591-1-1-.12(6) requires that a variety of age-appropriate toys and play materials be available, stored on low, open shelves accessible to children in each room or assigned area. #### POI (Plan of Improvement)

The Center director will ensure there is a variety of age-appropriate toys and play materials in each room for each age group. that are stored on low, open shelves accessible to children. ### Sleeping & Resting Equipment

#### 591-1-1-.30 Safe Sleeping and Resting Requirements(CR)

Not Met

#### Finding Associated with Complaint

591-1-1-.30(4). requires that if cots and mats are stored in the children's activity room or area, they shall be stored to prevent children's access to them and to allow maximum use of play space. When storage is available and used for the storage of cots and mats that allows the cots, mats and any bedding to be stored without touching any other cots, mats or bedding, the bedding may be left on the cot or mat. When such storage is not available for the cots and mats, each child's bedding shall be kept separate from other children's bedding and stored in containers marked for individual use, such as, but not limited to, bins, cubbies, or bags. It was determined based on investigative findings that children's bedding was stored in small baskets on top of a cubby and were touching on this date.

**POI (Plan of Improvement)**

The Center will store cots and mats so children do not have access to them and they don't take up play space and will store them so each child's bedding is separate from the others. A plan of action was discussed with the Director and the sheets and blankets will be stored so they are not touching.
