Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

290-2-3-.08(2) requires the Home to maintain a file for each Child that includes evidence of age-appropriate immunizations or a signed affidavit against such immunizations; enrollment in the Home may not continue for more than 30 days without such evidence. It was determined based upon consultant's observation, that four children enrolled did not have proof of a current immunization on file for review on this date.

POI (Plan of Improvement)

The Home Provider will ensure that an immunization record/signed affidavit is on file for each enrolled Child.

Finding

290-2-3-.11(2)(c) requires that documentation of drills required by these rules shall be maintained in the Home. The Home shall conduct drills for fire, tornado, and other emergency situations. The fire drills will be conducted monthly and tornado and other emergency situation drills will be conducted every six months. The Home shall maintain documentation of the dates and times of these drills for two years. It was determined based upon consultant's observation, that the home did not have proof of conducting a fire drill for the month of June 2017.

POI (Plan of Improvement)

The Provider will develop and implement a plan and schedule for conducting the required drills, completing the documentation, keeping the documentation on file for two years.

Correction Deadline: 8/18/2017

Finding

290-2-3-.11(2)(h) requires at least one UL Approved smoke detector to be on each floor of the Home and such detectors to be maintained in working order. At least one 2-A:10-B:C fire extinguisher shall be kept in the child care area to be located no more than thirty feet from the kitchen. The extinguisher shall be maintained in working order and shall be inaccessible to the children. It was determined based upon consultant's observation, that the fire extinguisher present in the home was not in working order on this date.

POI (Plan of Improvement)

The home provider will ensure that a working smoke detector is on each floor and a working fire extinguisher is available in the child care area as required, and is maintained inaccessible to children.

Finding

290-2-3-.07(4) requires the Provider, Employees and Provisional Employees with direct care responsibilities to complete health and safety training at the time of employment. Staff employed prior to September 30, 2016 will complete the training by December 29, 2016 and Staff employed after September 30, 2016 will complete the training within the first 90 days of employment. The training must address the following health and safety topics: prevention and control of infectious diseases; prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome and abusive head trauma; emergency preparedness and response planning for emergencies resulting from a natural disaster, or threatening event such as violence at the facility; handling and storage of hazardous materials and the appropriate disposal of bio contaminants; and precautions in transporting children (if applicable). It was determined based upon consultant's observation, that the provider did not have proof of completing the required Health and Safety training.

POI (Plan of Improvement)

The Provider will complete the required training and will ensure any Employees complete the training. The Provider will develop a plan to ensure that any new Employees complete the training as required.

Correction Deadline: 8/31/2017

Finding

290-2-3-.07(6) requires the Home to maintain for the Provider and any Provisional Employee or Employee, current evidence of successful completion of ten (10) clock hours of diverse training which is related to the care of children and which is offered by an accredited college, university or vocational program or other Department approved source annually. The annual ten (10) clock hours of training shall be chosen from the following fields: child development, including discipline, guidance, nutrition, injury control and safety; health, including sanitation, disease control, cleanliness, detection and disposition of illness; child abuse and neglect, including identification and reporting, and meeting the needs of abused and/or neglected children; and business related topics, including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two (2) of the required ten (10) clock hours of training. Records of completion of such training programs shall be maintained in the Home by the Provider, as required by these rules. It was determined based upon consultant's observation, that the provider did not have proof of completing the required ten hours of annual training on this date.

POI (Plan of Improvement)

The Home will obtain the required annual training and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if requested.
