Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

591-1-1-.26(8) requires climbing and swinging equipment to have a resilient surface beneath the equipment and the fall zone from such equipment must be adequately maintained by the Center to assure continuing resiliency. It was determined based on observation that there was inadequate resilient surface material underneath the red fireman pole located adjacent to the yellow slides on the right side of the outdoor play area.

POI (Plan of Improvement)

The Center will add additional resilient surfacing to the fall zones where needed and check daily, adding resilient surfacing as needed to maintain adequate resiliency.
