**Finding**

591-1-1-.09(1)(c) requires the Center to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined during consultant review of Comprehensive Records Check two staff members didn't have a valid and current satisfactory Comprehensive Records Check Determination on file.

**POI (Plan of Improvement)**

IMMEDIATE CORRECTION - The Center will to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The center will to ensure the CRC rules are maintained.

**Correction Deadline: 9/17/2019**

**Technical Assistance**

591-1-1-.09(1)(h) requires the Center to ensure that every Provisional Employee requests child abuse and neglect registry information and criminal history documents from any U.S. state, territory or tribal land other than Georgia in which they have resided in the preceding five years and submit such documents to the Department in a timely manner. Failure to request out-of-state information will result in the issuance of an unsatisfactory Comprehensive Records Check Determination. It was determined during consultant review of Comprehensive Records Check two staff had National background checks with pending out of state results.
