- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

591-1-1-.09 Criminal Records and Comprehensive Background Checks(CR)**Not Met****Finding**

591-1-1-.09(1)(a) requires that a Center ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site. It was determined based on observation that a speech therapist was present without submitting both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Center will ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site as required. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Center will ensure the CRC rules are maintained.

Finding

591-1-1-.09(1)(c) requires the Center to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on observation that a speech therapist was present at the center on August 13, 2019 and August 29, 2019 without a Comprehensive Records Check Determination.

Finding

591-1-1-.09(1)(j) requires that for portability for Directors, Employees and Provisional Employees, excluding Students-in-Training, only the most recently issued determination letter is eligible for portability and must be ported electronically. A Center may accept a satisfactory Fingerprint Records Check Determination letter or a satisfactory Comprehensive Records Check Determination letter issued by the Department if the Records Check Clearance Date is within the preceding 12 months from the hire date, the individual has not had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, and the Center does not know or reasonably should not know that the individual's satisfactory status has changed. It was determined based on observation that an employee was present for work on August 28, 2019 without a comprehensive background check being ported over as required.
