An Administrative Review was conducted on September 16, 2020. Staff files, children's files, training, and background checks were all reviewed.

A virtual inspection was conducted on September 23, 2020, with the Provider. An in-person visit was not conducted due to the COVID-19 pandemic. Compliance with the Executive Order issue on August 15, 2020 was reviewed during the virtual inspection. The Consultant discussed with the Provider the rule revision effective October 1, 2020, for the Infant Feeding Plan.

Plan of Improvement: Developed This Date 09/16/2020

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

591-1-1-.14(2) requires a Staff member who is trained in CPR and first aid to be on the premises and on any field trip whenever any child is present. In addition, Staff who provide direct care to children must satisfactorily obtain certification in first aid and CPR by December 29, 2016 if employed prior to September 30, 2016 and within 90 days of their hire date if employed after September 30, 2016. It was determined based on a review of staff files that staff #1, hired on March 4, 2019, did not have evidence of having completed first aid and CPR within 90 days of their hire date.

POI (Plan of Improvement)

The Center will develop a schedule to ensure there is always a staff person with current first aid and CPR training present and will develop and implement a plan to ensure all staff members have satisfactorily completed first aid and CPR training by the specified date.
