Plan of Improvement: Developed This Date 01/10/2019

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important New Deadlines:

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

Staff Records**290-2-3-.21 Criminal Records and Comprehensive Background Checks(CR)****Not Met****Finding**

290-2-3-.21(1)(b) requires every Provider to have a current and valid satisfactory Comprehensive Records Check Determination on file prior to being present at the Home while any child is present for care or before residing in the Home. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the license date; provided, however, if the Provider has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on a review of records that the provider did have comprehensive record check determination from Bright from the Start. The provider has scanned her fingerprints but did not submit an application to Bright from the Start.

POI (Plan of Improvement)

The consultant left a one day letter. The consultant assisted the provider with submitting an application during the visit. The Home will ensure that every Provider has a current and valid satisfactory Comprehensive Records Check Determination on file prior to being present at the Home while any child is present for care or before residing in the Home.

Correction Deadline: 1/11/2019

This training must be completed prior to initial licensure for the Provider and within 90 days from date of hire for Provisional Employees and Employees. It was determined based on a review of records that the provider did not have evidence of current CPR and first aid training available.

POI (Plan of Improvement)

The Home will obtain the required CPR and first aid training and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if cards are found.

It was determined based on review of records that the provider did not evidence of training for the year 2018.
