Plan of Improvement: Developed This Date 10/31/2019

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Finding

290-2-3-.21(1)(k) requires that only the most recently issued, electronically ported, determination letter is eligible for portability for Providers, Employees and Provisional Employees, excluding Students-in-Training. A Provider may accept a satisfactory Fingerprint Records Check Determination letter for a Provisional Employee or a satisfactory Comprehensive Records Check Determination letter issued by the Department for a potential Employee if the individual's Records Check Clearance Date is within the preceding 12 months from the hire date, the individual has not had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, and the Provider does not know or reasonably should not know that the individual's satisfactory status has changed. It was determined based on review of records that staff member # 3 did not electronically port the most recently issued Comprehensive Records Check Determination letter issued on this date. The consultant walked the provider through the portability steps on this date.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Home will port all letters to ensure that only the most recently issued determination letter is electronically ported for Directors, Employees and Provisional Employees, excluding Students-in-Training. The provider must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Home will watch the A to Z background check videos to ensure CRC rules are maintained.
