

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

You have received permission to operate and the form received with this report is intended to serve as a temporary license which is **valid for thirty(30) days**. Your actual license/ will be emailed to you upon receipt of the licensing fee. Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important New Deadlines:

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

The following information is associated with a Initial Licensing Study:

Activities and Equipment

290-2-3-.12 Equipment and Supplies(CR)

Met

Comment

Equipment and furniture observed to be properly secured, as applicable.

290-2-3-.19 Infant-Sleeping Safety Requirements(CR)

Met

Comment

The provider had a pack-n-play that will be used for an enrolled infant to sleep. Sleep safety rules were discussed.

Correction Deadline: 7/14/2020

290-2-3-.07 Swimming Pools & Water-related Activities(CR)

N/A

Comment

There is no pool on the property

Facility

290-2-3-.11 Physical Plant - Safe Environment(CR)

Not Met

Comment

No hazards observed accessible to children on this date. Home child care observed clean and in good repair.

Finding

290-2-3-.11(2)(h) requires at least one UL Approved smoke detector to be on each floor of the Home and such detectors to be maintained in working order. At least one 2-A:10-B:C fire extinguisher shall be kept in the child care area to be located no more than thirty feet from the kitchen. The extinguisher shall be maintained in working order and shall be inaccessible to the children. It was determined that the fire extinguisher present in the home was a 1-A:10-B:C and was the incorrect size required.

POI (Plan of Improvement)

The home provider will ensure that the correct size fire extinguisher is available in the child care area as required, and is maintained inaccessible to children.

Correction Deadline: 7/28/2020

Comment

An operable smoke detector was observed in the home this date.

290-2-3-.13 Physical Plant-Structural/Mechanical(CR)

Met

Comment

The Home appears clean and free from hazards.

290-2-3-.13 Playgrounds(CR)

Not Met

Finding

290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation that bolts were present on the fence at the corners and by fence gate and protruding towards the playground. In addition, the fence was not secured along the bottom to prevent it from being pushed/pulled away.

POI (Plan of Improvement)

The provider will have the fence installer turn the bolts so they are not protruding towards the playground and will add a tension wire or other device along the bottom of the fence to secure it. The provider will inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced.

Correction Deadline: 7/28/2020
