Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

**Finding**

290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation that one wooden board was hanging off the back right corner of the fence exposing nails on this date.

**POI (Plan of Improvement)**

The Home will enclose the outside play area(s) with a four-foot high fence or other Department-approved barrier and inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced. The Home will install or repair a fence around swimming pools that makes them inaccessible to children.

290-2-3-.07(5) requires the Home to maintain for the Provider and any Provisional Employee or Employee with direct care responsibilities current evidence of successful completion of a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid which have been offered by certified or licensed health care professionals or trainers and which dealt with emergency care for infants and children. This training must be completed prior to initial licensure for the Provider and within 90 days from date of hire for Provisional Employees and Employees. It was determined based on a review of records that the provider's training did include an in person hands on CPR. Further, the provider's helper did not obtain CPR and first aid training within 90 days of employment.

**POI (Plan of Improvement)**

The Home will obtain the required CPR and first aid training and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if requested.

**Correction Deadline: 5/19/2018**

**Comment**

**290-2-3-.07 Staff Training****Not Met****Finding**

290-2-3-.07(14) requires that each adult responsible for the supervision of the children, if not the Provider, shall receive orientation regarding these rules; the Provider's policies regarding discipline, injuries and illnesses, and release of Children; the Provider's written plan for handling emergencies; and appropriate information about any Child's specific health needs. It was determined based on a review of records and a statement from the provider that the helper did not receive orientation.

**POI (Plan of Improvement)**

The Home will ensure that each adult responsible for the supervision of the children, shall receive orientation regarding these rules, the Provider's required policies, plans for handling emergencies and appropriate information about any Child's specific health needs.

**Correction Deadline: 5/19/2018****Finding**

290-2-3-.07(4) requires the Provider, Employees and Provisional Employees with direct care responsibilities to complete health and safety training at the time of employment. Staff employed prior to September 30, 2016 will complete the training by December 29, 2016 and Staff employed after September 30, 2016 will complete the training within the first 90 days of employment. The training must address the following health and safety topics: prevention and control of infectious diseases; prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome and abusive head trauma; emergency preparedness and response planning for emergencies resulting from a natural disaster, or threatening event such as violence at the facility; handling and storage of hazardous materials and the appropriate disposal of bio contaminants; and precautions in transporting children (if applicable). It was determined based on a review of records that the provider and helper did not complete the required training within the required amount of time.

**POI (Plan of Improvement)**

The Provider will complete the required training and will ensure any Employees complete the training. The Provider will develop a plan to ensure that any new Employees complete the training as required.

**Correction Deadline: 5/19/2018****Finding**

290-2-3-.07(6) requires the Home to maintain for the Provider and any Provisional Employee or Employee, current evidence of successful completion of ten (10) clock hours of diverse training which is related to the care of children and which is offered by an accredited college, university or vocational program or other Department approved source annually. The annual ten (10) clock hours of training shall be chosen from the following fields: child development, including discipline, guidance, nutrition, injury control and safety; health, including sanitation, disease control, cleanliness, detection and disposition of illness; child abuse and neglect, including identification and reporting, and meeting the needs of abused and/or neglected children; and business related topics, including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two (2) of the required ten (10) clock hours of training. Records of completion of such training programs shall be maintained in the Home by the Provider, as required by these rules. It was determined based on observation that the provider had two of ten hours available for consultant's review for the registration year 2017.

**POI (Plan of Improvement)**

The Home will obtain the required annual training and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if requested.
