Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. It was determined based on observation that the following playground hazards were observed:  
-There were several roots raised up on the right side of the playground posing a potential trip hazard.  
-There were several thorny vines present throughout the playground.

**POI (Plan of Improvement)**

The Home will repair any and all identified outdoor hazards and will monitor playground daily or more often as needed to ensure that the Home's outdoor play area is kept clean and free of hazards.

**Recited on 9/15/2022**

**Finding**

290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation that the yellow fence on the far right side of the playground was missing three boards leaving three gaps that measured 4.5 inches wide and posed a potential entrapment hazard.

**POI (Plan of Improvement)**

The Home will enclose the outside play area(s) with a four-foot high fence or other Department-approved barrier and inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced. The Home will install or repair a fence around swimming pools that makes them inaccessible to children.

**Correction Deadline: 9/29/2022**

**Recited on 9/15/2022**
