Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

**Important Quality Rated/CAPS Update:**

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

290-2-3-.12(7) requires all indoor and outdoor furniture and equipment shall be secured if equipment and furniture is of a weight or mass that could cause injury from tipping, falling, or being pulled or pushed over. Potentially unstable equipment and furniture that might injure a child if not secured include, but are not limited to, televisions, chests of drawers, bookcases, shelving, cabinets and fish tanks. Examples of items not required to be secured include, but are not limited to, child-sized tables and chairs, rocking chairs, and cribs.

The consultant observed the T.V. in the living room to not be secured. The children's play area was on the side of the living room area but children walked past the T.V. to go outside. The consultant discussed with the provider about securing the T.V. to ensure it does not present a falling or tipping hazard.
