Comments

An Initial Licensing Study was conducted on May 25, 2023. Permission to Operate was granted on this date. Facility does not carry Liability Insurance.

Plan of Improvement: Developed This Date 05/25/2023

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

You have received permission to operate and the form received with this report is intended to serve as a temporary license which is **valid for thirty(30) days**. Your actual license/ will be emailed to you upon receipt of the licensing fee. You may pay the licensing fee either online at <http://www.dec.state.ga.us/> or by certified check or money order mailed to: Bright from the Start, 2 Martin Luther King Jr. Drive SE, Suite 670 East Tower, Atlanta, GA 30334

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the user id for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 1 855-800-7747 or qualityrated@dec.state.ga.us for more information. Free technical assistance is available!

Met

Comment

Center does not provide swimming activities. A pool was not observed on site.

Children's Records

591-1-1-.08 Children's Records

Met

Comment

Consultant discussed with the Director the importance of ensuring that all the information on the enrollment packet be filled out by parents. Consultant also discussed with the Director ensuring that parental agreements/authorizations be filled out and kept on file.

Facility

591-1-1-.06 Bathrooms**Not Met****Finding**

591-1-1-.06(4) requires a Center first licensed after March 1, 1991, and Centers that remodel or add to existing plumbing facilities, to have the bathroom area fully enclosed and ventilated to the outside of the building with either an open screened window or functioning exhaust fan and duct system and requires Centers without fully enclosed bathrooms to ensure there is adequate ventilation to control odors and adequate sanitation measures to prevent the spread of contagious diseases. It was determined based on observation that the exhaust fan in the hallway bathroom between the classrooms did not work. Consultant also observed a second bathroom that is located at the front of the building with no exhaust fan or window.

POI (Plan of Improvement)

The Center will fully enclose and ventilate bathroom areas, as required, and will provide adequate ventilation and sanitation in bathrooms that are not fully enclosed.

Correction Deadline: 6/24/2023

591-1-1-.19 License Capacity(CR)**Met****Comment**

Permission to Operate was granted on this date. The overall license capacity is limited to 25 children due to the center only having 2 toilets.

591-1-1-.25 Physical Plant - Safe Environment(CR)**Met****Comment**

No hazards observed accessible to children on this date.

591-1-1-.26 Playgrounds(CR)**Not Met****Finding**

591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that the left side of the fence on playground A had gaps that that measured more than 3.5 inches.

POI (Plan of Improvement)

The Center will routinely check the fence to determine if it is in good repair and remains at least 4 feet high, and will repair any hazards. The Center will train Staff to identify and report any fence hazards and to keep the fence gates closed when not in use.

Correction Deadline: 5/25/2023**Finding**

591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. It was determined based on observation that the heating & cooling equipment on playground A was accessible to children.

POI (Plan of Improvement)

The Center will remove any litter and fix or remove hazards from the playground and will routinely monitor the playground and remove litter and hazards.

Correction Deadline: 5/25/2023

Food Service

591-1-1-.15 Food Service & Nutrition**Met****Comment**

Consultant discussed with the Provider foods that are associated with young children's choking incidents, such as, but not limited to, peanuts, hot dogs, raw carrots, popcorn, fish with bones, cheese cubes, grapes and any other food that is of similar shape and size of the trachea/windpipe shall not be served to the children less than four (4) years of age. Children older than four (4) years of age may be served these foods provided that the foods are cut in such a way as to minimize choking. Food shall not be accessible or served to children until it has been chopped, diced, cut, or mashed and is appropriate for each child's age and individual eating, chewing and swallowing ability.

Comment

Please ensure that infant feeding forms are updated regularly.

591-1-1-.18 Kitchen Operations**Technical Assistance****Technical Assistance**

Please ensure that cleaning supplies are kept in a locked cabinet.

Comment

The center will be receiving catered food. Food will be delivered in the mornings and kept in hot boxes. Food will then be taken to the classroom on the rolling carts at meal times. The center utilizes a small kitchen area where the rolling carts will be kept. All the food is served in individual disposable dishes.

Health and Hygiene

591-1-1-.10 Diapering Areas & Practices(CR)**Not Met****Finding**

591-1-1-.10(1) requires Centers first licensed after March 1, 1991, and Centers that are renovated after March 1, 1991, to provide ventilation in the diapering areas with functioning exhaust fans and a duct system or by the required amount of window space provided by operable windows when open. It was determined based on observation that the windows in classroom B were not screened it.

POI (Plan of Improvement)

The responsible person(s) at the center will ensure that the exhaust fans and duct systems are functioning or that the required amount of operable window space is provided in each diapering area.

Correction Deadline: 5/25/2023

591-1-1-.17 Hygiene(CR)**Met****Comment**

Consultant discussed transportation requirements if/when the facility decides to incorporate transportation. The center will contact their regional consultant and complete the required two (2) hours transportation training prior to transporting children.

Sleeping & Resting Equipment

Comment

Discussed SIDS and infant sleeping position. Nine (9) cribs were present meeting safety compliance with Consumer Product Safety Commission (CPSC) and American Society of Testing and Materials International (ASTM) safety standards as they were manufactured in August 2011 and November 2012.

Technical Assistance

Consultant observed minor tears in the corner of 4 mattresses that were taped up. Please keep an eye on the mattresses and ensure that they continue to be non-porous.

Correction Deadline: 5/25/2023

Staff Records

Comment

Criminal record checks were observed to be complete. Five (5) staff records were observed to have comprehensive satisfactory Criminal Background Check determination letters on file.

Comment

Please add the triangular band-aid to the first aid kit.

Finding

591-1-1-.14(1) requires the Center Director and, at any given time, at least fifty percent (50%) of the caregiver Staff to successfully complete a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid. The first aid training must be done by certified or licensed health care professionals or trainers and must deal with the provision of emergency care to infants and children. The Center shall maintain current evidence of the successful completion of such training which shall be available to the Department for inspection. It was determined based on observation that the director did not have a current CPR card. The director's CPR training expired on 5/14/2023.

POI (Plan of Improvement)

The Center Director and at least 50% of the caregiver Staff will complete the needed training. The Director will send written verification to the consultant upon completion and will develop a plan to ensure that at least 50% of the caregiver Staff have completed this training at any given time and that evidence of successful completion of the training is on file available for inspection.

Correction Deadline: 6/24/2023
