Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. **Finding**

290-2-3-.10(3) requires a signed written feeding plan for children less than one (1) year of age be obtained from Parents. Instructions from the Parents shall be updated regularly as new foods are added or other dietary changes are made. The feeding plan shall be posted in the main child care area and must include the child's feeding schedule, the amount of formula or breast milk to be given, instructions for the introduction of solid foods, the amount of food to be given and notation of any types of commercially premixed formula which may not be used in an emergency because of food allergies. It was determined based on review of children's records that one out of one infants had the wrong infant feeding plan completed by the parents.

**POI (Plan of Improvement)**

The Home will develop and implement a plan to obtain and post the completed feeding plan as part of the enrollment process and to have parents update the plans on a regular basis.
