A virtual inspection was conducted on May 12, 2021 with the Provider. An in-person visit was not conducted due to the COVID-19 pandemic. Compliance with the Executive Order issued on May 1, 2021 was reviewed during the virtual inspection. Additionally, Consultant discussed Rule changes that took effect on October 1, 2020 and emailed the Provider handouts with Frequently Asked Questions and related resources.

- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance

If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance.
