591-1-1-.36 Transportation(CR)**Not Met****Finding**

591-1-1-.36(7)(c)2. requires that the driver or other designated person shall immediately document in writing, with a check or other mark/symbol to account for each child listed on the passenger transportation checklist each time a child enters and exits the vehicle. The driver or other designated staff person shall document in writing with a different mark/symbol to account for each child listed on the passenger transportation checklist who was not present on the vehicle for any reason. An explanation shall be documented in writing whenever a child is transported to a field trip site but is not present on the return trip to the Center. It was determined based on the observation of a field trip checklist from December 8, 2022 that the loading and unloading of two children was not accounted for with a mark or symbol after the children were unloaded from the vehicle at Children's Museum, when the children were loaded back on the vehicle to return to the center and when the children were unloaded at the center.

POI (Plan of Improvement)

The driver/other designated person will immediately document in writing with a check/mark/symbol each time a child gets on and off the vehicle.

Correction Deadline: 12/14/2022

Finding

591-1-1-.36(7)(d)1. requires that the first check be conducted immediately upon unloading the last child at any location including, but not limited to, a field trip destination, arrival at the Center, and the last stop during transportation to home or school. The responsible person on the vehicle shall physically walk through the entire vehicle; visually inspect all seat surfaces, under all seats and in all compartments or recesses in the vehicle's interior; sign the passenger transportation checklist (s), indicating all of the children have exited the vehicle; and give the passenger transportation checklist(s) to the second designated Staff person. It was determined based on observation of a field trip checklist from December 8, 2022 that first check of the vehicle was not conducted once the vehicle returned to the Center after a field trip. Responsible Staff did not sign the checklist indicating all children had exited the vehicle.

POI (Plan of Improvement)

The Center will train Staff who are or may be involved in transporting children in how to thoroughly inspect a vehicle and properly complete transportation documentation. The Center will review and monitor.

Correction Deadline: 12/14/2022

Finding

591-1-1-.36(7)(d)3. requires that if a second designated Staff person is not available to conduct a second check of the vehicle the driver will check the vehicle by physically walking through the entire vehicle; visually inspecting all seat surfaces, under all seats and in all compartments or recesses in the vehicle's interior; and signing the passenger transportation checklist(s), indicating all of the children have exited the vehicle, and then report by phone to the Director or designated Staff person that the check has been completed and no children remain on the vehicle. The time and verification of such telephone contact shall be immediately documented and signed on the passenger transportation checklist(s) by the driver. It was determined based on observation of a field trip checklist from December 8, 2022 that a telephone call was required to be made to the Director after the first check of the vehicle at each stop after the children were unloaded from the vehicle. Responsible staff did not document a telephone call after the vehicle was unloaded at the Aquarium nor after the children were unloaded at the Center.

POI (Plan of Improvement)

The Center will train Staff who are or may be involved in transporting children in how to thoroughly inspect a vehicle, properly complete transportation documentation and reporting via phone verification. The Center will review and monitor.

Correction Deadline: 12/14/2022
