Inspection Report	
Supervision	In Compliance
Staffing Requirements	In Compliance
Director Requirements	Not In Compliance
350 - Health, Safety, Comfort	Not In Compliance
922 KAR 2:090. Section 10. Director Requirements and Responsibilities. (1) A director shall: (l) Assume the health, safety, and comfort of each child;	
Findings: General: Based on Observation, interview and a review of documentation on 2/06/18 a staff member went to the Urgent Care Center on her lunch break and she tested positive for the flu. Based on interview the staff member stated that she called the director and told her the information and the director asked the staff member to come back to the facility and give a lunch break. The staff member indicated that she went back to the daycare and gave a thirty (30) minute lunch break. The staff member had a note from the Urgent Care Center indicating that she could not return to work until 2/09/18. The director did not assure the children's health in the classroom by allowing a staff member to work directly with the children when she was diagnosed with a communicable disease. In addition, a smoke detector was beeping in the three to four (3-4) year-old room. The director stated that she was planning on changing the battery.	
Hygienic Practices	Not In Compliance
665 - Staff Communicable Disease	Not In Compliance
922 KAR 2:120. Section 3. General Requirements. (6) A staff person suspected of being infected with a communicable disease shall: (a) Not perform duties that may allow for the transmission of the disease until the infectious condition can no longer be transmitted; and (b) Provide a statement from a health professional, if requested.	
Findings: General: Based on Observation, interview and record review a staff member left the child care facility on 2/6/18 for her lunch break and went to the Urgent Care Center. The staff member tested positive for the flu at the Urgent Care Center. The staff member stated that she called the director and told her she had the flu and the director asked her to come back to the child care facility and give a lunch break. The staff member came back to the facility and gave a staff member a lunch break. Based on interview she gave the staff a thirty (30) minute lunch break. The staff member's time sheet indicated that she worked from 1:00 PM until 2:00 PM on 2/6/18 and then left for the day. The staff member had a note from the Urgent Care Center stating that she could not return to work until 2/09/18. The staff member worked directly with the children and was suffering from an illness that could be contagious.
